## PERFECT PLAY

### Race 5: #2 Viva Vegas

One for two for trainer Ignacio Correas. This mare has been a gray flash on the Tampa Turf, winning 3 of 4 with her only local defeat coming in the G3 Endeavour. Since leaving Tampa, she's earned a G3 placing. Working like a rocketship in the mornings.

## PRICE PLAY

### Race 7: #8 Umbrage

Arnaud Delacour trainee comes from a winning family and has every right to improve on the surface switch. Several siblings have won on turf. She gets lasix for the first time and takes the blinkers off. Value late.
