PERFECT PLAY

Race 8: #6 Dog Soldier

Front-running type appears to be the speed of the speed. He goes second off the layoff for leading trainer, Gerald Bennett. The horse who finished alongside, High Five Cotton, returned to win easily at this condition last week.

Race 6: #6 Peppi the Hunter

While this veteran's speed figures are a notch lower than these, this is the softest field he has taken on in quite some time. He moves back to one turn, but is still fast enough to secure good early position. Has just as good a chance as any in here, and may offer double-digit odds.
