PERFECT PLAY

Race 1: #6 Mi Tia Christina

After a dominant win in her Tampa comeback, she ran a credible race at this condition, moving up well, while wide, only to fade in the stretch. Three speedballs should set this up for a closer, and this mare has the best late kick.

PRICE PLAY

Race 9: #1 Shana Tova

Stakes placed as a three year old, this Algorithms colt was quite impressive, winning off a 6 month layoff. Draws much better for his second start of the season, and should be a player at a price.
