Race 7: #1 Tench

After getting loose in the walking ring, slamming into a brick pillar, and causing a general ruckus, this gelding ran a tremendous race on debut. Went incredibly fast on the lead, only to get caught by an impressive Clement runner, Releasethethunder.

Race 3: #6 Steel Beach

In a race full of off-form runners, this gelding offers a fresh face and early speed coming from GP. He breezed once over the surface, locally. Has been over-matched in every start down south, but is in with his friends here.
