PERFECT PLAY

Race 1: #2 Go to Win

Horse-for-course improved in his last when dropped to this condition. Made a big move only to get caught by Reeder, who won 3 straight at the time. Draws well and gets speed to chase.

Race 9: #3 Natcho Daddy

Speedball failed to carry his speed to the wire when taking on better in January. Runs for the lowest tag in his career and gets back to two turns. Samy sticks aboard when seemingly having other options.
