PERFECT PLAY

Race 5: #2 Tiple (Ire)

Christophe Clement trainee found her feet late in her local debut, flying home in the stretch to lose less than 1 length after switching to the outside. Meets a good field, but is only a clean trip away from victory.

Race 2: #9 Peppermint Crunch

While the other Eoin Harty trainee, Journeyman, is expected to take the bulk of the betting, this one may slip under the radar. It appears something went amiss in his last, when eased early. His works since have been phenomenal, and he will offer double digit odds. One more chance.
