PERFECT PLAY

Race 4: #5 Tempers Way

Eoin Harty has had success as of late with his MSW droppers, and this filly should be no exception. Stopped to a crawl against a MSW crew on Festival Day after running a game third two starts back. Should clear early with the main threats coming from far back.

Race 6: #2 Red Curls

The Roy Lerman barn has done very little wrong this meet. It took this mare a long time to break the maiden, but she looked good in victory. Leading rider, Samy Camacho sticks aboard.
