PERFECT PLAY

Race 5: #1 Clearwater

Paynter filly rarely runs a bad one, and is coming into her own in her four year old year. She nearly pegged Navarro's Band of Angels in her last. She earned a career best Beyer and if she repeats, she should handle this crew.

PRICE PLAY

Race 4: #9 Respondingtoglobal

Three year old filly is one of the more lightly raced runners in this bunch who are still in search of that first career victory. She gets first time lasix and blinkers, two equipment changes that may wake her up.
