Race 2: #2 Zodiac Princess

Three year old filly became a different horse when she set foot on turf. While it is never easy for a horse to win when taking on winners for the first time, this one appears to be rapidly improving. Lands leading rider, Samy Camacho.

Race 1: #3 Eternal Cross

Anthony's Cross gelding changes barns and plummets down to the bottom level after showing very little in debut. This is a significantly softer crew that he'll compete with. Should improve, and may be ignored off the poor debut.
