

2014 “10 Days of Festivus Challenge”
HANDICAPPING CONTEST RULES

Welcome to Tampa Bay Downs’ 2014 “10 Days of FESTIVUS CHALLENGE.”
We hope you will take the opportunity to participate in this season’s first 2014/2015
Handicapping Contest event.

The online registration begins November 15, 2014 by going to
www.festivuschallenge.com where you can sign up and participate in our “10 Days of
FESTIVUS CHALLENGE.” The “10 Days of FESTIVUS CHALLENGE” contest
begins Wednesday, December 3, 2014 and runs through Sunday, December 21, 2014.

ENTRY:

Participants must register by 12:15 p.m. on Wednesday, December 3, 2014. By
registering for the contest and making contest selections, game players agree to abide by
the contest rules and by the decisions of Tampa Bay Downs, Inc., which are final in all
matters pertaining to the contest.

HOW THE CONTEST WORKS:

The “FESTIVUS CHALLENGE” is a FREE online competition where all wagers are
mythical. Contestants compete for prizes which will be awarded after the final racing day
of the contest (December 21, 2014). Contest participants are required to register for the
contest using a valid e-mail and residential address (only one e-mail address allowed per
player; two players per household will be allowed). Once registered, players may log on
to the game, and select their entries once the game is live. All Tampa Bay Downs, Inc.,
“live” races during December 3 – December 21 are eligible races for contest play.
Contestants must make a selection every day during the “10 Days of FESTIVUS
CHALLENGE.” Skipping a day results in elimination.

PLAYING THE “10 Days of FESTIVUS CHALLENGE:”

Challenge participants are required to make mythical win-place-show wagers on their selections each day of Festivus.

1. Each player starts with \$100 a day, and **must** wager the entire amount.
2. Win, Place and/or Show wagers only.
3. \$2 Minimum, \$100 Maximum. Even amounts only (\$2, \$4, \$20, \$50, \$100, etc).
4. Only one horse per race can be selected.

The total mythical pari-mutuel payouts will be based on the official race results and the player’s mythical wager amount. The total will accrue to the game player’s mythical bankroll for the duration of the contest. All results will be reconciled live. Standings will be posted on the Challenge website. Your bankroll accrual is based on Win, Place and/or Show mutuel results for the live Tampa Bay Downs races, therefore for a mythical \$2 across-the-board wager:

- A. If your selection in a race finishes first, paying \$18.40 to win, \$7.20 to place and \$5.00 to show, your mythical bankroll will be credited or increased by \$30.60 (\$18.40 plus \$7.20 plus \$5.00).
- B. B. If your selection in a race finishes third, paying \$4.80 to show, your mythical bankroll will be credited or increased by \$4.80. The “10 Days of FESTIVUS CHALLENGE” bankroll scoring is based on final race pari-mutuel information.

WAGERING IN THE CONTEST:

Each player starts each day with \$100 to make mythical wagers. For each selection the player makes, they must decide the win, place, or show amount they would like to place on that particular selection. A player can use all \$100 mythical dollars on one horse or spread it out throughout the day’s racecard. Each player must use all of the \$100, or they will be eliminated from the 10 Days of Festivus Challenge.

CONTEST SELECTION TIMES:

All participants' race selections must be made **before** 0 minutes to post for the corresponding race. Selection scratches: If your selection is scratched at any time **before** 0 minutes to post, you may make another selection. No changes may be made after that point. If your horse is scratched and you do not make another selection, you are credited for the mythical dollars, but players must be aware they need to make a bet on another race to utilize their entire \$100 bankroll. Exception: if the player chooses a horse in the last race that is a late scratch after the cutoff time has expired, the player is given the post time favorite.

“The 10 days of FESTIVUS CHALLENGE” PRIZES are based on the highest accumulated pari-mutuel payout total (bankroll). Prizes will be awarded as follows: The active participant with the highest accumulated pari-mutuel payout total (bankroll) at the end of the “10 Days of FESTIVUS CHALLENGE” (Sunday, December 21, 2014) will be declared the GRAND PRIZE winner. Prizes for second and third-highest bankrolls among active players will also be awarded, as well as a bonus prize to the participants that accrue the highest daily totals during the contest. In the event of second and third-place ties for the highest accumulated pari-mutuel totals (bankroll), the player selecting the most first-place finishers among those tied (MOST WINNERS) will be declared the winner. In the unlikely event of a tie in the Daily winners category as well, the individual with the highest single win mutuel during the duration of the contest will be declared the winner.
